6th May 2010

Dear Parents,

Mrs Adams

Mrs Adams and family are delighted with all the good wishes they have received and we look forward to seeing her and meeting new daughter Abigail in school soon.

Grandparents

Grandparents are invited to come into school on Monday 7th June at 1.30 pm to share and experience school life with their grandchildren.

Parent Support

Louise Smith, the newly appointed Parent Support Assistant will be in school on Wednesday 30th June from 2.30 – 4 pm. This is an opportunity for parents to find out what is available to support families in the local area.

Midsummer Madness - This very enjoyable annual event organised by the GSA takes place on Saturday 10th July.

Activity Week - Activity Week takes place week commencing 12th July, Sports morning will be on Thursday 15th July.

Tesco & Sainsburys Vouchers

We are very grateful to the parents who are counting these vouchers for us and to you all for sending them in, at present we have almost 7,000 Tesco and 1,000 Sainsburys vouchers.

Security

We would appreciate your co-operation if at the end of the school day all parents could please take their children from the playground, as we need to secure the premises to ensure the safety and security of all After School Club children.

As we are hoping for better weather....Please apply suntan lotion which only needs one application before school and also send your child in with a hat. We have logo'd legionnaire style hats for sale in school at a cost of £3.50.

Yours truly,

Annette McCullion
Head Teacher
