

Walk in your Wellies

The next promotion to walk to school will be on
Tuesday 10th November
The children are asked to walk, or splash, to school
in their wellies which can also be worn at playtimes, as we
would also like them to bring their slippers/soft shoes to wear
in school as a special treat.

If you travel to school by car could you please park away from
Pulloxhill Road and walk from your car to school. The MUGA next to
The Village Hall will be open for use.
